**FOR IMMEDIATE RELEASE: OCTOBER 2006**

**Plumbing repairs a breeze with Amazing GOOP® Plumbing**

When doing plumbing jobs around the house, chances are you'll need an adhesive at some point, so why not choose one made especially for plumbing projects? Eclectic Products' **Amazing GOOP® Plumbing** will repair and seal by forming a lasting **waterproof** bond to a wide variety of materials with a strength superior to any other brand.

The ability of **Amazing GOOP® Plumbing** to bond unlike materials is unmatched by any other one-part adhesive on the market. It's the adhesive you can trust for jobs involving metal, tile, plastic, porcelain and rubber, as well as, PVC, ABS and copper pipes.

**Amazing GOOP® Plumbing** adhesive dries to a **clear, flexible, rubbery finish** perfect for bonding items subject to flex or vibration. It **will not crack or separate** under pressure – an Amazing GOOP® bond is practically forever.

Use **Amazing GOOP® Plumbing** for repairing broken or leaking porcelain, reattaching loose tiles in the shower, connecting copper to plastic pipes, and attaching hoses to metal faucets. For applications exposed to sunlight, paint over **Amazing GOOP® Plumbing** after it has cured for maximum ultraviolet protection.

**Amazing GOOP® Plumbing** comes in a variety of sizes: 3.7 oz. 10.2 oz., and a 0.18 oz. tube within our Multi-Pack.
