

BIO-SAFE® HAND SANITIZER...

■ SANITIZE

Finally, a hand sanitizer that doesn't leave your skin feeling dry and "tight" and yet...

- **Kills 99.9% of germs instantly.**
- **Immediately sanitizes** hands when soap and water are not available.
- **Contains an effective sanitizing ingredient** to help kill bacteria and other micro-organisms instantly, without causing dryness of the skin.
- **Handy flip-top bottle** in a 2.25 fl oz / 67.5 mL size that slips easily into a pocket.
- **Ideal for workers** in the field who need a quick "wipe up". Leaves no film or residue after it dries.
- **Helps meet OSHA's blood borne pathogen** standard to provide employees with an appropriate antiseptic hand cleanser when soap and water are not immediately available.

■ MOISTURIZE

- This rinseless gel contains special emollients to lightly condition skin while helping retain moisture.

Easy to apply!

Simply rub Bio-Safe® Hand Sanitizer's rinseless gel into the area needing to be sanitized and allow to dry.
